Membership applications are processed on the Spring Mountain Archery range in Mountain Springs NV Forrest Road 989 at predetermined days and times call 702-483-8151 or email lasvegasarchers@gmail.com for appointment or can be processed at monthly club meetings. This is to allow an Officer - Board Member or designee to secure funds, complete forms, insurance waivers, conduct safety briefings along with a general orientation of the range. General meetings are held the second Monday of the month. Check the shoot schedule or website for dates and locations.

LAS VEGAS ARCHERS

The Las Vegas Archers maintain a NFAA certified archery range with two 28-target courses, one 20-animal 3D target course and one broadhead sight-in area in the Mountain Springs area. The club averages 20 shoots a year including NFAA class rounds, Novelty shoots and un-marked 3-D rounds. The range is open to members and member's guest year around. The range is open to the general public during organized shoots only. In addition, as a member you are entitled to the use of the LVA Club house, restrooms/porta-potties, refrigerators, and tent or dispersed camping areas.

CAMPING

RV spaces available with electrical hook-up (no water or sewer). \$10 a day with a maximum of 14 days within a single month. Each RV and tent are considered a unit and are \$10 a day. Pricing not based on group but rather units.

AS A LAS VEGAS ARCHER MEMBER

Members of LVA are expected to promote and enjoy the sport of archery. You will also be asked to support your club whenever possible, by keeping your dues current, attending membership meetings, scheduled work parties and scheduled shoots. You are expected to help with shoot setups and or teardowns where possible. This includes helping with the LVA Silver Dollar Annual Tournament. This is a two-day tournament that helps the LVA maintain some of the LOWEST yearly dues in the country.

I have read and agree with the above. I also agree to abide with the decisions made by the Board of Las Vegas Archers and/or the membership body for the betterment of Las Vegas Archers.
